

Henry Sotheran & Co.

From **DAVE HILL**. Roy shows in the S section of the New illustrated Catalogue that the perfin SRD (S6300.01) was used by booksellers, Henry Sotheran & Co and that SRD was short for his address in THE STRAND. Henry Sotheran also used a perfin PDY (PI660.01) from his branch in Piccadilly. Illustrated is an envelope from this branch, presumably used to mail a newsletter or similar. Was Piccadilly Notes No. 1 the only one? Did they issue something similar from The Strand?
